SPECIFIC VISA REQUIREMENTS FOR BHUTAN

ENTRY VISA

- photocopy of your passport, valid for 6 months at least,
- one (1) fully completed and signed visa application form,
- one (1) recent passport-style photograph.

You must apply for your visa through the travel or business company in Bhutan. No actual visa is placed in your passport until you reach Bhutan. You will not have to send your passport.

The Bhutan visa is stamped in your passport upon arrival in Bhutan by air or land crossing. The visa is cleared in advance and a visa clearance number is issued for each traveller. For travellers entering on Druk Air, the visa clearance number is forwarded to that airline. Without the visa clearance number, passengers will be denied boarding.

For all travellers entering through Phuntsholing on the border of southern Bhutan, the visa is added to your passport by local authorities. The visa clearance number must have been previously forwarded to immigration officials at Phuntsholing for reference.

Four (4) passport-style photographs are required on arrival, as is a copy of the visa application form and your original passport. The visa is valid for fourteen (14) days, and can be extended once inside Bhutan.
